New Classrooms

Following the development of the new classroom and improved toilets in the (old) KS1 corridor there will be some changes to where each class is situated in 2016/17. Please see the table below for information.

If you have any queries please don't hesitate to ask.

2015/16	2016/17
Reception	Year 1
Class 1	Reception
Class 2	The Haven
ICT suite	Class 2
Class 3	Class 6
Class 5	Class 4

The computers from the ICT will be redistributed into classrooms for use during lessons. We have purchased 16 new learn pads to complement the ipads that we have. There are improvements being made to the wireless system to ensure that these tablets can be used rather than the ICT suite.

Chloe's Dream Fundraising Day. July 19th 2016.

The children in the school have formed an "action team" to decide how we can best raise money for Chloe's Dream. This is a charity arranged to help fund the operation that Chloe in Year 3 needs to help her to become more mobile. We will be holding a fun day on July 19th. There will be a sponsored climbing wall, games and activities, dressing up as pirates and princesses, team sports and a parent/carer picnic lunch. Please join us from 12.30pm on 19th July 2016.
