

Visible Difference Matters

Our Bowling Activity

On April 11th the Visible Difference Matters went bowling at the Dunes in South Shields. Everyone had a great time!

All About Us

Visible Difference Matters is a social group for children and young people aged birth - 25 years who have visible difference. We meet up few times a year to go out on trips and do fun activities. Visible Difference Matters gives people who have visible difference a chance to meet other people who also have similar conditions the chance to get to know each other and socialise.

We are based in South Tyneside but we are hoping to expand to reach more people with visible difference across the region.

Fundraising

We have received an amazing amount of money from Forest View School and Hebburn Lakes School.

Forest View did a Non Uniform Day which helped us raise £200. Hebburn Lakes School did a Valentine's Disco which raised £200. We would like to say a big thank you to the schools for their donations!

Our Next Activity

The Visible Difference Matters Group is planning to go for a picnic at 1pm on Saturday 1st July 2017 at Marine Park, South Shields. We would love you to join us! If you would like to come along please contact Demi on:
