3<sup>rd</sup> January 2018

Dear Parent / Carer

**Invitation to Online Safety Information Evening at Rednock School**

With the latest spate of online safety concerns, it is timely to invite you to an Online Safety Information Evening at Rednock School.

The aim of the evening is to provide parents / carers at both Slimbridge Primary School and Rednock School with essential advice for the safe use of the internet in the home. There will also be an opportunity to ask any questions that you may have with regard to your children's use of digital devices in the home.

The event has been designed to provide you with practical examples of the sorts of things you can do at home to maximise the safety of your children. The evening will also include examples of the sorts of materials we use at school to inform our students of the potential dangers of 'over sharing' on the internet.

The presentation will take place at Rednock School in the Learning Resources Centre at 5.00pm on Wednesday 31<sup>st</sup> January 2018. The whole event should take an hour. Refreshments will be available.

Please either complete the form below and return to main reception at Rednock School or email confirmation of attendance to [andrew.birkett@rednockschool.org.uk](mailto:andrew.birkett@rednockschool.org.uk).

Yours sincerely

**Mr A Birkett**  
**Head of Online Safety**
