Dear Parents / Carers

PARENT GOVERNOR ELECTION

The School has a vacancy for a Parent Governor which we need to fill as soon as possible. Parent Governors are elected by and from the parents of children currently attending our school. They serve a four-year term of office and bring a very important and valued perspective to the work of the Governing Body.

You might like to look at the information for prospective governors on the Gloucestershire County Council website – www.gloucestershire.gov.uk/schoolsnet/governors. Further information on the role can also be obtained through the school office.

The Governing Body has a vital role to play in making sure every child receives the best possible education. This is achieved by ensuring that governors have the necessary skills and commitment to contribute to the effective governance and success of the school. The particular skills that governing bodies need will vary and will include personal qualities and capabilities, such as the ability and willingness to learn and work as part of a team.

It is expected that governors will make use of the various training opportunities available to them and play a full part in the work of the governing body.

If you have an interest in Secondary Education, an understanding of the principles of good corporate governance and would like to become a governor, please complete the nomination form overleaf and return to Mrs N Morrissey (Governance Manager) by 12.00 noon on Friday 2nd March 2018 (self-nomination is acceptable).

If there are more nominations than vacancies, an election will be held and you will be sent a voting paper.

Yours sincerely
