

## REDNOCK SCHOOL

### EXAM RESULTS: Frequently Asked Questions

#### 1. How close was I to the next grade?

You need to find out what the maximum mark was for that module or award and then use the table below. This is a guide only. Specific thresholds/ grade boundaries are published by each Exam Board for their subjects. Ask Mrs. Sellar (Exam Officer) for details or visit each of the Exam Boards website and search “grade thresholds/boundaries”.

MAX MARK	A	B	C	D	E
90	72	63	54	45	36
100	80	70	60	50	40
105	84	74	63	53	42
120	96	84	72	60	48
300	240	210	180	150	120
600	480	420	360	300	240

#### 2. What if I just want to look at my script before making a decision on a re-mark?

You can have a **photocopy** of your script at the appropriate fee, if the exam board receives the request by the deadline. This is usually **7 calendar days from the published result day**. Once you have looked at the photocopy of your script you can then request a re-mark. If you have the **original script** back, at the appropriate fee, **then you cannot request a re-mark**.

#### 3. What if I want a re-mark?

You need to be clear when you ask for a re-mark whether you really want the marks added up again or you want an examiner to re-mark the paper. Assuming you want a re-mark then you need to complete the consent form (available from Mrs Sellar or the Rednock School website) and ask for Service 2: Re-Mark. You will need to sign the consent form- which makes you aware **that the grade could go down**. If you also want the script back or a photocopy, then you have to add that fee to the total that you pay. Details of charges are on the Letter in the Results envelope or from Mrs. Sellar (Exams Officer).

#### 4. What if I want my mark total checked?

You need to complete and sign the consent form and request Service 1- Clerical Check of Marks. The consent form is available on the School website or from Mrs Sellar.

#### 5. How long will a remark take?

Usually this doesn't take more than 3 weeks but this can vary with each exam board.

#### 6. What if my re-mark result comes back after the deadline to apply to re-sit the module, will I be charged late fees?

You will **not** be charged any late entry fee - the exam board will charge your re-sit request at the normal cost because they are already aware of your enquiry.

#### 7. What if I want the script back after the re-mark?

It is probably best to ask for this at the same time as the re-mark. Remember that if you get the original then you can't appeal, but a photocopy keeps the options open. You may wish to get a photocopy before deciding about a re-mark.

#### 8. What if I wish to re-sit an AS or A2 module?

Complete a re-sit form in September (available from the Exam Office, Mrs Sellar) stating the component number and when you want to re-sit. You will also need to discuss this with your Teacher and Mr. Cheeseman.
