

St, Gregory's Catholic School serves the parishes of Holy Rosary Church and St. Gregory's Church, South Shields.

In accordance with the Education Act 1988, we seek to promote the spiritual, moral, cultural, mental and physical development of pupils at our school.

We strive to maintain at all times the highest ideals and standards within the national education system.

We believe that every child has a divine origin and an eternal destiny.

We recognise that each individual child, made in the image and likeness of God, is uniquely valuable and deserving of respect as of right.

We hold that each individual child is equal to others regardless of sex, nationality, colour, creed, class, wealth or intellectual ability.

We seek to promote to the utmost the development of every child's personal wholeness, integrity, gifts and creativity in a welcoming and loving school community. We do so in partnership with parents, guardians and all others who have the welfare of the child at heart.
