

Arctic Term Newsletter

Wednesday February 28th 2018

Dear Parents and Carers,

First of all a resounding well done to all of the fantastic children and staff across the school that have made it in today! I know that it has been very difficult for everyone and please don't worry if you had to make a decision to keep your child off today, but we are open and the school is safe and warm and learning continues. We have also had some fun in the snow too.

Please note that all After School Clubs, Karate and Card Making are cancelled as I want all school staff to leave in good time this evening. It took a long time to get home last night and I would prefer that all staff and children are off the premises soon after school closes for the day. The same will apply to tomorrow evening's After School Provision also: Infant Football, Science Club and Athletics. We will make a decision on Friday's After School Clubs tomorrow.

The school will be OPEN tomorrow unless the situation deteriorates further. We are a local school serving our local community and we have never yet been closed because of adverse weather conditions. We will of course monitor the situation carefully and post a notice on our school website. We will also closely follow the Local Authority procedures whereby information can be posted on their website and local radio. If our name isn't mentioned on either then we are open for learning. I hope to see a healthy turn out tomorrow and hopefully our World Book Day fun can go ahead.

It would seem sensible to postpone our Fair Trade Big Brew and Cake event, planned for Thursday and Friday of this week. We will have this special event next Friday Afternoon, March 9th from 2pm when all parents will be welcome to attend for a cuppa and a cake. (All cake donations from Thursday 8th and many thanks in anticipation). Fair trade drinks and snacks will be on sale from tomorrow for the children – £1 will suffice for most items if that is ok?

In the meantime please take care if you are out and about.

Best Wishes.

Yours sincerely,

K J Smithson

Head Teacher.
