

How to create a fantastic piece of writing

Steps to success

When completing a piece of extended writing in any subject, step up to success.

Plan your ideas before you begin. Consider the audience and purpose.

Structure your ideas into paragraphs and use a variety of language features.

Link your ideas with connectives and choose punctuation accurately.

Use a range of sentences- simple, compound and complex

Use a dictionary to check spellings and a thesaurus to expand your vocabulary.

Proof read your work.
