February 2018

Dear Parent/Guardian

Maths Assessment for Years 7, 8, 9 and 10

I would like to advise you that students in Years 7, 8, 9 and 10 will be taking a Maths assessment during week commencing 5th March. The results of these assessments will not only help as a guide to indicate how your child is progressing in Maths but also help us to decide on any class/set changes that will be made following the Easter break.

I am enclosing a Maths revision list focussing on key areas appropriate to your child's Year Group and encourage all students to access **Hegartymaths.com** both at school and at home as they will find this a very useful revision tool; login details are as follows:

- **School Name: Trinity Catholic College**
- **Login: Student Name and Date of Birth**

I would appreciate any support you can give your son/daughter in preparation for their assessment next week and especially ask you to encourage them to use the Revision List to guide them in their revision and Hegartymaths.com. If you have any queries regarding this matter please do not hesitate to contact me at college on 01642 298100.

Yours faithfully

Mrs S Mitchinson
Director of Maths
