18th April 2018

Dear Parent/Carers

We have been informed that on Thursday 19th April and Friday 20th April we will be having our Section 48 inspection. This is a statutory inspection which all faith schools must have. Our Diocese provides the inspectors and they will look at everything to do with the Catholic ethos of the College, including leadership, religious education, worship, moral and spiritual development, and links with local Catholic community.

During the two day inspection, Inspectors will observe lessons and acts of worship, talk to staff and students and analyse data for attainment within Religious Education. The inspection culminates in a written report that the College will make available to you.

Parents' views are very important and we shall be sharing with the inspectors any evidence we have of views of the College regarding the Catholic ethos. In light of the inspection, it would be very helpful if you could complete the attached questionnaire and return it to the College via the students by **Thursday 19th April**, alternatively, you can complete the questionnaire online through the parent portal on the College website or the link sent by text message this afternoon.

I'd like to thank you in advance for taking the time to complete the questionnaire. You should receive a report giving you the outcomes of the inspection within a few weeks of the end of the inspection.

Yours sincerely

Mr Coady  
Headteacher
