Dear/Parent/Guardian

**Trinity Catholic College Ofsted Inspection, 26-27 September 2018**

The report of our recent Ofsted inspection is now available to read and download from our website, [trinity.npcat.org.uk](http://trinity.npcat.org.uk), or via our Parent Portal.

The inspection was very thorough and covered every aspect of the college. The Requires Improvement judgement reflects the very high standards rightly expected by Ofsted.

The report highlights many strengths within the college and acknowledges the effects of changes we have introduced since the start of the new academic year.

It notes that expectations have been raised and praises pupils' strong social, moral, spiritual and cultural development.

The report also points out areas in which we need to improve, all of which have already been identified in our School Improvement Plan and are being addressed.

I'm pleased that Ofsted recognised the changes we have already put in place and the positive impact this is beginning to have.

If you require a hard copy of the report, please do not hesitate to contact the college on 01642 298100.

Thank you for your continued support.

Yours sincerely
