

Year 1 Newsletter Autumn B

I am sure you have heard all about 'The Gingerbread Man' that we have been focusing on within our writing. All the children wrote a retell of the story yesterday, which they put all of their effort into! We will be moving onto instructions next week, ready to make some delicious sandwiches!

I hope you received your child's spellings for this term. There are lots of different activities you can do to learn spellings at home.

In September, I sent a 'Look, Spell, Cover', this was one way you can help your child with spellings. You can practise spellings whichever way best suits your child.

Squeebles is a good spelling app that is interactive. Spellings are on the website if you need another copy.

Readings days for this term were sent out before the holidays.

Monday: Pandas and Giraffes

Tuesday: Zebras and Tigers

Wednesday: Butterflies and Giraffes

Thursday: Pandas and Tigers

Friday: Zebras and Butterflies

Phonics is a way to help children read. In June, all children will complete a phonics screening test where they will have to read real and nonsense words. Phonics Play is a great website to help read some of these words. Everybody has played it at school so know exactly how to play.
