

Year 2 Newsletter

The children have been very busy this term and have been working very hard. The boys and girls have completed some lovely work so far! We have enjoyed learning more about transport and becoming rock stars in times table rock stars.

English

Our English topic this week has been adventure stories. The children have enjoyed reading 'The Pirate Crunchers' and we have used this book to help us plan our own pirate story.

Maths

In maths, we have been looking at greater than and less than, money, and shape. Every Friday our year 6 children are working together with the year 2s to help them with times table rock stars. Each week, the children will take part in a times table challenge.

Halloween

The children had lots of fun at their Halloween disco and in class we made our own Halloween lanterns to help light the way in the dark nights. We also made some super firework pictures using chalk and oil pastels.

Reading books

Please make sure that the children bring in their reading book folder on their reading days. Their reading day is written in the front of their red reading records.

19th December 2018 - KSI party

20th December 2018 - Christmas Mass

Re

This week and next is world religion week across school. This week we have been celebrating Diwali. The children made some beautiful Diwali cards, using rangoli patterns and made a diva lamp painting. Look how fabulous they are! Next week we will be exploring Judaism, making challah bread and learning all about Shabbat. We also had lots of fun with Barnabas, who came in to teach us all about Harvest. Thank you so much to everyone for their donations.
