

We have learned how to make playdough. We found out you need hot water, flour, salt and oil.

We found out who's stick was the tallest.

We have learned how to work together to complete a jigsaw.

We've investigated ice in the water tray.

We enjoyed playing in the post office.

and enjoyed making our bird feeding station.

Next term we are looking forward to planting our vegetables and Reading our next book Class Two At The Zoo.
