

Homework Club

Could you benefit from attending Homework Club?

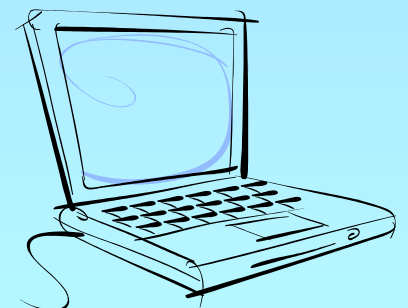

Homework club is open to all students from 15:15 – 16:15 every day. You can turn up to complete any homework you have, or do revision; there is always plenty of space available. You do not need to stay for the full hour if your homework is complete.

There are support staff on hand to provide help should you need it.

All diaries are signed with “left HWC @ ...” and the time, so your parents/tutors can check if you have attended.

There are computers available attached to a printer that you are able to use along with books for research.

REMEMBER

We don't need advance warning, just turn up to the library!
