Dear Parents and Carers

## Re: ClassCharts for Parents and Carers

ClassCharts is an online system which teachers use to track achievement and behaviour throughout the school day. We believe in working closely with parents and carers and one of the key benefits of using ClassCharts is that we are able to securely share your child(s) achievement and behaviour report with you and so keep you up to date in real-time.

### ClassCharts is used to share information with parents and carers about:

- Achievement
- Behaviour
- Attendance
- Homework
- Detention

We have 754 students in Year 7 to Year 11

Our **Parental engagement** on class charts is as follows:

590 (78%) parents/carers have accessed the app

164 (22%) parents/carers have not accessed the app

Our **Student Engagement** on class charts is as follows:

438 (58%) students have accessed the app

316 (42%) students have not accessed the app

We are asking for your support in ensuring you as a parent have accessed the app whether it be on your PC, laptop, tablet or phone. We can achieve 100% reach to all our families with your active participation. To help you with this we have included parent and student guides provided by ClassCharts on how to access and operate the app.

Should you need your Parent code, please do not hesitate to contact Heidi Spurdle, [Heidi.spurdle@epschool.org](mailto:Heidi.spurdle@epschool.org).

We will follow up with guidance on how ClassCharts can assist you as a parent within the school. This will include a "Did you know?" section to ensure parents are aware of how ClassCharts are incorporated within the school's 'Respect and Pride' ethos and applied with regards to the school policies

Your help, support and commitment to the school is appreciated.

Yours faithfully

**EPCS Governors**
