

## Impact of Sports Funding 2016-

### 2017 What is the Sports Grant?

The Government is providing funding of £150 million per annum for academic years 2013/14, 2014/15, 2015/16, 2016/17 and 2017/18 to provide new, substantial primary school sport funding'. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school head teachers to spend on improving the quality of sport and PE for all their children. The sport funding can only be spent on sport and PE provision in schools.

### Purpose of funding

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

### How we spent the Sports Funding and who benefited?

At Ss Peter and Paul RC Primary we continue to ensure that our pupils have access to a high quality and enjoyable physical education programme as this is a vital part of a child's development. We aim to develop each child's physical confidence and skills enabling them to lead healthy lifestyles.

Through our curriculum we offer the children opportunities to compete both against themselves and others, in order to build self- confidence, resilience and a sense of fair-play. The curriculum is designed to enable all children to participate including those who are more able, as well as those with additional needs.

The P.E. and Sports premium has been used and will continue to be used to promote and develop these aims, as well as support teaching staff in their continuous professional development.

The £11,049 PE and Sport grant that we received was mostly allocated to the professional development of the teachers to ensure a lasting legacy of the money.

Skilled coaches led and mentored teachers during lessons to improve their skills. Teachers were identified and trained by the sports coach to improve on the skills developed last year.

Funding was allocated to a service level agreement with the local secondary school sports specialists, where our lead PE teacher took part in training on management, subject development, specialist sport specific coaches, inter school competitions and equipment.

Funding was again allocated for transport to and from venues this enabled the children to participate in more tournaments off the school premises seeing a rise in the number of children participating in competitive sports.

Our current Year 6 class have been assessed by the South Tyneside swimming teacher. Currently we have 62% of children able to swim at least 25m with one stroke, 41% of children can swim at least 25m using more than one stroke. From September 2018 all year 6 children will be taught how perform safe self-rescue in different water-based situations and percentages will be displayed in the next report.

This year it was decided to spend money from the PE grant on the Junior Yard markings. The impact of the PE and Sports grant funding is:

- teachers now more skilled in teaching quality PE – dance, gymnastics, athletics and games so more quality PE is being taught
- an increase in the number of children that have taken part in competitions and tournaments between schools
- more sports are being ran at lunch times with the help of our School Buddy System and Sports Leaders
- retained Sainsbury’s Bronze award
- yard markings and range of quality equipment enable children to play games during play and lunchtimes

### Financial Breakdown

PE GRANT 2016- 2017		£11,049
Travel	Travel (coach)	200
South Tyneside	Sports SLA	2500
St Wilfrid’s RC College	School Sports Programme	300
	Playground Markings	1000
Coaching and CPD	Grassroots	4600
	New Sports Day Cup	112
	Playground equipment	700
	Dance Festival- Fees Costumes Travel	150
	Taxis – netball	75
	Skipping School	400
		£10,037

### Sports Grant in 2017-2018

(£16,000 + £1,012 = £17,012)

In 2017-2018 the school is planning to spend some of the Sports Grant money this way:

- Providing opportunities for pupils to attend after school sport clubs. Grass Roots to provide After School Cub for all Key stages based on PE Lessons.
- Develop Change4Life sport club- release PE lead to learn how to run club through SLA with Mortimer College.
- Paying for professional development opportunities in PE (Grass Roots) Providing cover to release primary teachers for professional development in PE/sport.
- Running sport competitions within school and increasing participation in the school games against other schools.
- Continue buying quality assured professional development modules or materials for PE/sport e.g. South Tyneside School Sport Grant Service Level Agreement and St Wilfrid's Cluster.
- Provide transport for tournaments which will enable school to take part in more sports opportunities.
- To gain the Sainsbury's School Games Silver Award
- Provide provision of OAA for year 5 and 6 during residential visit.
- Possible purchase low level climbing trial on church wall?
- Purchase new football / netball strips.
- Possible purchase new metal football and basketball goals for junior yard
- Further develop yard markings – hopscotch, skipping station etc. linked to maths and literacy.
- Purchase Wake up shake up type morning activity
- Air compressor to pump up footballs and netballs basket balls rugby balls
- Yard equipment to develop lunchtime and playtime activities
- Possible purchase of artificial grass for areas in junior yard to make safe surface accessible for daily exercise and sport.
