

**SS Peter & Paul RC Primary School**

**2018 Key Stage 2 SATS**

Children in Year 6 will take statutory Key Stage 2 SAT tests assessments in May. They cover:

- reading
- GPS (Grammar, Punctuation and Spelling)
- maths
- science
  
- Your child’s teacher will use your child’s work to assess what level your child is at in writing.

Changes to assessment in September 2015 directed teachers to assess children without levels. Government guidelines identify as child working at the Expected Level (EXS) if they have achieved age related expectations. A child who has exceeded age related expectations is assessed as working at greater depth (GDS). Children who have not achieved age related expectations are assessed as 'Working towards the standard' (WTS); working below the Key stage standard (BLW); working at a level below the key stage expectations (PKF, PKE, PKG) or not achieved the expected standard (HNM).
