

TRAINEESHIPS

CHOOSING TO WORK AND LEARN AT 16

A traineeship is a course with work experience that gets you ready for work or an apprenticeship. It can last up to 6 months.

If you do choose the work/voluntary work route this will involve you working towards a nationally recognised qualification as well as being employed; self-employed or volunteering for 20 hours or more a week.

If this is of interest to you then you need to discuss this option with your teachers, tutors, careers advisers, parents and carers to ensure this route will:

- meet your needs, both now and in the future;
- give you opportunities for future employment;
- ensure you have options for further training later.
