

THE RIGHT LOOK FOR THE ACADEMY

Personal appearance is very important. High standards of dress and appearance are crucial in helping students to focus on school work and maintain good behaviour and self discipline. We are preparing our students for college and the world of work. School is much like an office environment and students are expected to come to school looking smart and well presented at all times as they would if they were an employee in a 'professional' office.

This includes:

- styles of uniform (eg no jeans-style trousers or leggings)
- styles and colour of hair (fashion colours in unnatural colours such as green or pink, shaven patterns or patterns of colour would not be acceptable)
- jewellery (watches and plain gold or silver stud earrings - one per ear lobe are acceptable but no other jewellery)
- make-up – discreet make-up will be allowed in Years 10 and 11 only (discreet means it is not very noticeable)
- shoes (trainers must only be worn for PE activities).

OUR CUSTOMISED UNIFORM

We expect our students to come to the Academy sensibly and smartly dressed - ready for work, so we have a standard Academy uniform. It helps students to be in the right frame of mind for work and it makes them proud to be a part of our Academy. Our uniform is how the local community recognises and makes judgements about us as an Academy and so it is important that students always present themselves in a positive disciplined way. We want all students to be proud to wear the uniform and have a sense of pride that they belong to The St Lawrence Academy. The uniform policy supports the ethos of the Academy where we expect all students to have respect for each other and for their appearance.

Students are our ambassadors and this applies as much to their appearance going to and from the Academy as when they are studying in the Academy. A smart appearance will be expected at all times and parents / carers are asked to ensure that this is respected. Students are expected to wear the correct uniform at all times.
