Dear parents/carers

**Reward Scheme 2018-19**

Please find details enclosed of Stokesley Schools rewards scheme for 2018-2019.

With this scheme, students can exchange their hard-earned house points for rewards.

Where students need to redeem at student services, your child's form tutor will need to cross off the relevant number of house points in your child's planner and sign for the item the student is going to collect; Student Services will then sign to say that the reward has been given. You'll be able to keep track of this in your child's planner and bestow even more praise upon them at home!

This scheme went down very positively last year with our students and we want this year to be even more successful! For this to happen, please continue encouraging your child to be punctual to school with high attendance, to show ambition, to have a positive attitude to learning in the classroom and display considerate behaviours around the school site. We hope to see them gain as many house points as they possibly can; with all of our support we really can ensure our students are the best they can be.

Wishing you a Merry Christmas and a prosperous New Year

Yours sincerely

**Mr C Simpson**
