

14th December 2018

HEADTEACHER: Mrs H L Millett

Dear parents/carers,

Year 11 Prom Passport

To celebrate students reaching the end of Y11, every July we like to celebrate with them at the end of year Prom. This has become an event that is eagerly looked forward to by staff and year 11 students alike and we hope that all of our year 11 students can attend this event.

To help all of our year 11 students remain focused between now and May when the all-important examinations start, all students are issued with a Prom Passport where they must achieve 40 prom points between 7th January 2019 and 17th May 2019 in order to be able to attend the prom. We want to give every student the opportunity to attend prom and if students show high attendance to school, show ambition in gaining 'exceptional' and 'motivated' in PRP's, gain house points in lessons and stay clear of negative behaviours around school then they will be celebrating with us in July. Students enjoy the challenge and the process rightly rewards the vast majority who throw themselves into exam preparation.

A copy of the prom passport is shown below for your information. All year 11 students have already had an assembly on the 27th November and are fully aware of the expectations.

We look forward to working with you to help your child achieve their goals over the coming months, and to celebrating in style with your child in July!

Thank you for your support in this matter, I wish you a Merry Christmas and Happy New Year.

Mr C Simpson
