Dear Parent/Carer

It is with much excitement and pleasure that I write to inform you of the wonderful project that your son/daughter has the opportunity to be a part of.

As an integral part of the BTEC Level 3 Performing Arts course we need to establish links with industry and I have secured a Creative Arts relationship with Beamish Museum.

We have several collaborative projects planned with Beamish over the course of the next 2 years. This will not only open the window of opportunity for enrichment and work placement but will allow our Performing Arts students to devise performances within a historical context and work alongside a professional brand that is Beamish. Students will research, develop and devise theatre which will then be performed within the museum.

Please could you complete the consent form below to allow your son/daughter to take part in this opportunity. Once confirmed, dates of projects will be shared with you, along with any other relevant information.

Yours faithfully

L Pirie
