Dear Parent/Carer

Your son/daughter has been selected to take part in a visit to Newcastle University on Wednesday 13th December for "A Show of Ice and Fire!" as part of their Level 3 Applied Science course. This will be an exciting Chemistry lecture and will also give students the chance to experience the University.

The lecture is on for 1 hour and will commence at 3.00pm. Students will make their own way to and from Newcastle University but need to meet me inside Haymarket metro station at 2.30pm. When the lecture is finished students will be dismissed from the University and make their own way home. This is a free event.

Please complete the consent form below and return to reception by Wednesday 6th December. If you have any questions about the event please do not hesitate to contact me.

Yours faithfully

R Allan
