

Orange 1 Autumn Term

For the first half of the term Orange 1 class enjoyed learning about Pirates. We took part in Treasure Hunts, sensory sessions exploring foods that pirates would eat, role play, making our own pirate ships and investigating 'exploding treasure'.

In the second half of the term Orange 1 are learning about the topic 'Ourselves'. We have been finding out about our families and friends, learning about our likes and dislikes and beginning to collect information about differences and similarities in people.
