Dear Parent/Carer

Student Reports and Parents Evenings 2018-19

Outlined in the table below are the dates for student report distribution and Parents Evenings for this year. For the benefit of parents new to the college, Progress Reports show student progress and targets and brief behaviour and attendance information. These are published on GO 4 Schools, the system we use to record student attainment and behaviour. Written Reports include comments from teachers and form tutors and are either posted home or handed out on Parents Evening. GO 4 Schools can be accessed using the email you have registered with the college. Details of how to log on are shown in the Parent/Carer section of our website.

Progress Reports for QA1 were recently published online on GO 4 Schools. You should have received a text or an email explaining the report is ready to view.
