

5<sup>th</sup> February 2018

Dear Parent / Guardian,

As a part of our support for our Year 10 students we have collated a range of Revision Guides and resources recommended by Heads of Department to support student's preparation for their GCSE examinations.

On the reverse of this letter is a full list of the resources available to order through our online payment system Parentpay. For each of the products we have included the relevant set codes which correspond to your child's timetable as available on My Child at School. Each Parentpay account has products loaded which correspond to the courses they are taking. Please be aware if your son/daughter is currently in receipt of free school meals all costs will be covered by the school.

If you need further details for our Parentpay system this can be found on our school website under the 'Parents' section: <http://realsmart.stthomasmore.org.uk/parent-pay/>

If you haven't registered for this service, please email your child's full name and pastoral class to: [parentpay@stthomasmore.org.uk](mailto:parentpay@stthomasmore.org.uk), with the subject line 'Parentpay' and you will be emailed a username and password within 2 working days.

If you are unable to use Parentpay, payment may be made by cash using the Paypoint network at participating local convenience stores. In order to pay by this method you will need a Paypoint barcode letter, which is unique to every pupil and trip, from the Finance Office. Please contact the school Finance Office who will arrange this for you.

The deadline date for purchases via Parentpay is the 21<sup>st</sup> February. Payments after this date may incur extra charges and would need to be made directly with the Finance Office.

Yours faithfully,

Mr J Greenshields  
KS4 Progress Leader
