Volume 12  
15th February 2019

*Do you know what type of bird this is?*

Dear Children, Parents, Carers and Governors,

This week our word of the week was 'love'. We talked about how grateful we are to have people who love and care for us. and how lonely it must be for people who do not have anyone.

Rhiana Riding amazed everyone with her knowledge of birds. Do you know what type of bird this is? Ask Rhiana her knowledge is amazing!

At the end of each half term we celebrate the children who have made the most progress over the half term and who have the longest journey getting there. It could be an area of learning that poses particular difficulties for example reading, writing and speaking to an individual. Well done to the children who have achieved this extra special award we are really proud of you.

Mathletics have updated the app—it is called Mathletics students. It is free to download and free from any glitches. Have a look—I have heard it is good from other parents. An extra special well done to Liam Shippen who has now achieved 9 gold certificates.

**I hope you all have a restful half term and I look forward to seeing you on Monday 25th February! Mrs Tones**
