

Dear Community Member,

In accordance with national government policy direction and Hull City Council's response to the national agenda, you may already have heard that a group of Hull schools are proposing to form a multi-academy trust called Humber Education Trust (HET).

The schools that are proposing to form Humber Education Trust are:

Maybury Primary School	www.mayburyprimaryschool.co.uk
Tweedykes School (pending governors' approval)	www.tweedykes.co.uk

Adelaide Primary School	www.adelaide.hull.sch.uk

This is an exciting time for our schools and a great opportunity for us to further strengthen our partnership as a family of schools and formalise the strong relationships that already exist between us.

As a partnership, our strength lies in a common purpose: high aspirations, moral values, care and support; yet celebrates our individual uniqueness. As a trust, we will drive these aims further and faster for the benefit of our pupils and our communities.

We are currently consulting on our proposals with students, parents, staff, governors and the wider community and we wanted to let you know that we will be holding information sessions. These sessions will be an opportunity for members of the local community to tell us their opinions on our proposals and for us to answer any questions they might have. Information sessions are being held at the following locations:
