

Striving for excellence, inspired by Gospel values.

Our 'Learning Timeline' is intended to provide a general overview of Science and Topic teaching throughout the year. Staff have designed their timeline to hook children into their learning and ensure curriculum coverage is effective. The time given to each topic is subject to change in order to ensure high levels of children engagement. In Year 6, Science and Learning Projects are taught in blocks, alongside each other.

Over the course of the year there will be short periods during which our normal curriculum timetable will be suspended to allow for whole school projects: The whole school will engage in a range of art activities during a termly 'Art Day'. Awareness week will take place during the Spring term. Health week will take place during the Summer term.

<p>Science Project:</p> <p><u>Circuits and Variables</u></p>	<p>Science Project:</p> <p><u>A Healthy Body</u></p>	<p>Science Project:</p> <p><u>Classification and Characterisation</u></p>	<p>Science Project:</p> <p><u>Evolution: Fossils to Fertilisation</u></p>	<p>Science Project:</p> <p><u>How does light travel?</u></p>
<p>Learning Project:</p> <p><u>A longitudinal study of the impact World War 2 had on children.</u></p> <p>Curriculum areas covered: History: WW2 English: diary, letters, newspaper reports ICT Science: electricity and inventions Art: propaganda posters, Blitz oil pastel work</p>	<p>Learning Project:</p> <p><u>A longitudinal study of the impact World War 2 had on children.</u></p> <p>Curriculum areas covered: History: WW2 English: diary, letters, newspaper reports ICT Science: electricity and inventions Art: propaganda posters, Blitz oil pastel work</p>	<p>Learning Project:</p> <p><u>SATs Workshop</u></p> <p>Curriculum areas covered:</p>	<p>Country Study:</p> <p><u>Ancient Greece</u></p> <p>Curriculum areas covered: History: history of the region, Olympics Geography: physical and human aspects, comparison of the regions.
