## Science

**Note:** 'Diff no' value shows the number of pupils that the difference between school and national represents, and is always rounded down to a whole number. Disadvantaged nationals are shown as all/other (other relates to pupils who are not defined as disadvantaged). For science the only outcome of the teacher assessment was whether pupils met the expected standard. # Year 1 phonics marks 2018

This chart shows the distribution of total marks achieved by pupils in the school compared to the national.

— National level — Not achieved expected standard — Achieved expected standard

Cohort = 62 One pupil relates to 1.6 percentage points.

In 2018, 89% of pupils achieved the expected standard, 6 percentage points above the national proportion. This difference was not statistically significant.

**Notes:** The plotted national line is the national phonics attainment percentage at each phonics mark multiplied by the whole school phonics attainment cohort. The expected standard for phonics is 32+.
