Living Eggs

Year 2 spent two weeks nurturing and observing eggs grow into real live chicks! All pupils throughout the academy have enjoyed watching them grow. This has enriched our Science topic of Life

Y6 Pioneer Centre Residential

From 28.6.17–30.6.17, Year 6 together with Mrs Cattell, Mr Kay and Mrs Visentin had a brilliant time on their residential trip to the Pioneer Centre, in Cleobury Mortimer!

They all took part in some rather challenging outdoor activities including: getting soaked and muddy while raft-building; learning how to perfect our fencing and archery skills; taking the (very high and precarious) 'Leap of Faith' in the high ropes session;

They made some wonderful memories that they will keep long after leaving St. Michael's in July.

All the pupils were a real credit to St. Michael's Academy and their families, showing excellent team spirit and encouragement and support for each other.

Huge thanks to ..

- * All of the PTA and academy staff who helped at the Summer Fete on Friday 14th July. We are extremely pleased to have raised just over £1000!
- * *All our wonderful parents, governors, cleaners, lunch staff, cooks, office staff, teachers and learning support staff for ensuring our academy flourishes as a Catholic family community and helps our children become the wonderful citizens*

Sports Day 2017

CONGRATULATIONS to St. Patrick's House who were the overall winners.

It was a brilliant day with some outstanding performances from all pupils from Nursery to Year 6.

Thank you to all parents, carers, St. Edmund's pupils and PTA who came to support us!

St Michael's reopens to children at 8:45am on Tuesday 5th September 2017.
