Dear Parent/Carer

Our school uses a reward system called ePraise. This allows staff to award ePraise merits, postcards, accolades or commendations for performing beyond expectations. This might be for exceptionally effort on a piece of work, taking part in a range of extracurricular activities, excellent attendance, or helping others. As a parent you can log into ePraise and see your child's ePraise profile.

Setting up a Parent Login for ePraise will allow you to:

- See how your child/children are doing
- Check out what achievements & accolades they've received
- Find out what rewards are on offer at the school
- See overviews of how the whole school is doing

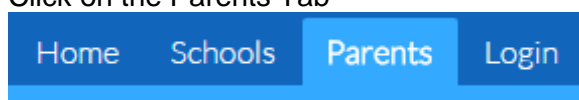

To be able to login to ePraise as a parent your email address must be registered with the school. If it is not please phone the office staff and ask them to add your email to the school's system. Please allow 24 hours for the school to update your details.

Once your email has been registered with the school follow the steps below to create your account;

1. Visit ePraise.co.uk and click school login (at the top right of the page)
2. Type Court Fields into the search bar and click the school.

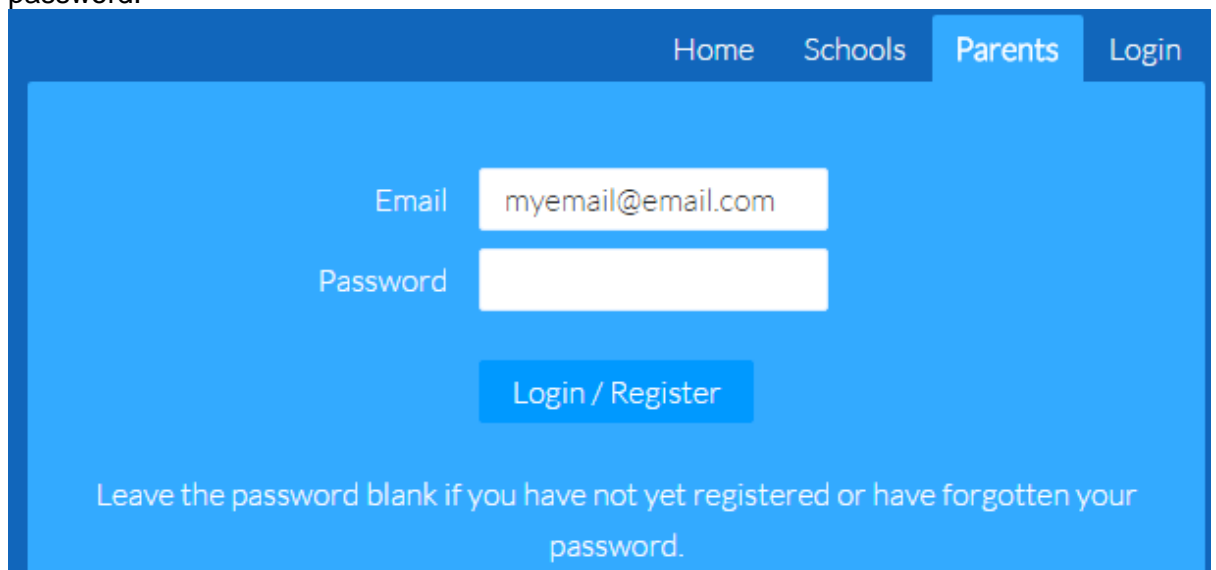

3. Click on the Parents Tab

4. Enter your email address that is registered with the school.

5. Leave the password blank if you have not yet registered or have forgotten your password.
