

Dear Parents

The Friends of Court Fields School are currently undertaking a project to create an **OUTSIDE GARDEN ROOM** in the courtyard area in C Block.

This space will be used to create a peaceful and attractive sensory garden/classroom which will have a multitude of uses.

The first stage was asking a group of pupils to help in the design of the area and from there detailed plans were drawn up.

The site was cleared and whilst this was going on, the Friends organised various events to raise the money needed.

Two large planters have been installed and are ready for painting.

The next stage will be to install a patio area, a pergola and a raised bed area ready for planting.

THIS IS WHERE YOU CAN HELP

Can you offer a few hours to help paint?

Are you a self-employed electrician/carpenter or handyman?

Are you able to help with planting?

Are you good with a drill?

Could you donate any items from our pledge list?

We have already had the timber for the seats donated by Wellington Timber and the service of local firm WeatherBeater to help with some of the carpentry.

There are several more jobs that need to be done and we would love to have the help of you, the parents.

If you can help with any of the above or have any ideas or suggestions that would benefit the project please email sch.552@educ.somerset.gov.uk or tel 01823 664201 and your details will be forwarded to the Garden Project Leader.
