School Improvement Agenda

Change from Vertical Tutor Groups to Year Tutor Groups from September 2018

We are proposing to change the way in which we organise students in our morning tutorial time from the current vertical system, where Year 7 – 11 students mix in a tutor group, to a Year Group system where students will be in a tutor group with their peers – children of the same age. We have asked staff and students for their feedback and now invite parents for their feedback. The key reasons we want this change are detailed on our website under the Parents tab - consultation. If you would like to feedback your thoughts or ask questions please email SCH.552@educ.somerset.gov.uk and we will update you via our Parent Bulletin. Any feedback needs to be with us by Friday 18th May 2018.

Thank you.

YEAR 8/9 MOP UP VACCINATIONS – HPV & MENINGITIS

CHANGE OF DATE:- The school nursing team have rescheduled the mop up vaccinations from **Wednesday the 13th June** to **Wednesday 27th June**. If your son/daughter did not receive their vaccination and you would like them to have it, then please return your consent form to the School Office by Monday 25th June. Without this form the vaccination cannot be given.

SAFEGUARDING ISSUE

DROPPING OFF AND COLLECTING STUDENTS EACH DAY

It has been brought to our attention that parents are entering the school site to drop off students in a morning. Please can we remind you that parents should drop off and collect their children at the Youth Centre and not drive onto the school site unless by prior arrangement with the Head of House. It causes Health & Safety issues for students and staff arriving at school.

For Health & Safety reasons, students should use the public footpath to walk into school and not the main school driveway.

If you are entering the school site to attend a meeting and cannot find a parking place then please do not park on the yellow markings even for short periods, as this is designated access for emergency vehicles only, thank you for your co-operation.
