Dear Parent / Carer

As part of the drive to ensure every child makes excellent progress in their English GCSE, part of your child's English homework each week will be handed in to members of our Senior Leadership Team during assembly on a Monday. This will allow us to easily and quickly identify students who are not completing their English language homework and potentially need additional support.

English language homework will be given out in English lessons on a Friday each week. It will also appear on e-praise. Students will have 10 days to complete the homework and assistance will be available from the English Faculty during this time if needed. Homework will take the form of practice exam questions and will be given back to students once assessed for use in lessons and revision. For this reason it is vital that all students complete the work set on time. Those students who do not complete homework will be kept behind after school on a Monday in order to complete it.

We appreciate your support in this matter.

Many Thanks.

Miss Lisa Martin
