

Winstanleylife *"Keeping you up to date on all things Winstanley!"*

The Dube is now at Winstanley

On Monday 5th January 2015, we had the great pleasure of having a Dube workshop delivered to every member of staff by Eddie Dublin, brother of Dion.

Not only, was the whole experience fun and uplifting in what was an otherwise full on training day, but the skills that we all had to display highlighted the usefulness they hold for all of us and not just our students.

The ability to follow instructions, do something which is out of your comfort zone and work together are invaluable skills, not just for school, but life. Eddie's approach was warm and fun and we have now managed to secure his services to work with groups of students on a weekly basis for the foreseeable future.
