

Thank you to everyone who has made the launch of our new uniform so successful.

Please can you reinforce with your son/daughter that the ties are for wearing, and not pulling off, as a small number of students think that this behaviour is acceptable.

All ties need to be replaced when lost and can be bought directly from <http://www.academyschooluniforms.co.uk> or from the school for £4.95. The next pop-up shop at the school will be on Thursday 16th October between 3pm and 6.30pm.

The last week has been amazingly busy here at Winstanley. We have had three very successful 'Fun Maths Roadshow' events which were attended by Kingsway and Ravenhurst Primary schools.

Many thanks go to Mrs Stafford for arranging these.

All of Year 6 from Kingsway experienced a wonderful taster day on Wednesday 17th September, when they got to spend a whole day with us, experiencing taster sessions in history, science, cooking, French and drama.

Autumn Term

28th Aug – 19th Dec 2014

20th – 24th Oct 2014 - Half term break

6th-10th Oct Winstanley at Work Week

7th Oct - YR7 Team Building Day

16th Oct - Uniform Pop-up Shop

16th Oct - YR7 Tutor Evening

17th Oct - Reports to Parents

*****NEWSFLASH*****

Winstanley student Josh plays a blinder!

Our very own Josh Stanley (10CP) had to go above and beyond what a 14 year old normally has to do! Last Tuesday 16th September, Josh and his aunt helped deliver his elder sister's baby girl on the stairs at home.

Mother and baby Taya-Mae (7lb 11oz) are both fine and doing well.

Congratulations and well done Josh!

Winstanley is proud of you!

**Volunteers
Needed!**

Green power formula 24 Bulletin Request.

Winstanley Community College is registered with Greenpower Formula 24. This is a Competition for 11-16 year olds to design and build an electric car which they can enter into organised races against other schools. A small team of students and adults have been working for the past 2 years and in that time have created a chassis and designed a steering system which will soon be operating. We are looking for experienced skilled adults from the local community that would like to get involved with this project. Skills in brazing and mechanics, particularly in go-karting may be desirable. If you wish to offer your skills please contact the school on 0116 289 8688 and ask for Mr Sarris.
