Dear Parent/Carer

Online Games: Roblox and Fortnite Warnings

It has come to our attention that some children in Camden schools, including our school, have been playing online games at home such as Roblox and Fortnite where they are able to interact with and talk to strangers. In doing so, they are often exposed to highly inappropriate content and language.

The NSPCC has this week issued a warning about Fortnite because of its violence and voice and chat features. They note that it “features cartoon violence, where players can use a variety of weapons, such as guns and axes, to kill other players.”

We would urge you to supervise your child’s usage of these games and monitor who they are interacting with and what they are doing on these sites.

Anyone looking for further online safety advice can contact the O2 NSPCC online safety helpline on 0808 800 5002 where it is possible to report online bullying or get help on setting parent controls. Please do come and talk to us if you have any concerns.

Yours sincerely

Laura Hall
Head teacher

Strength for today. Bright hope for tomorrow
