Catch22 Dawes Unit – Parent Support Group

Catch22 Dawes Unit work with young people and their families in Wolverhampton who are at risk of, or are already involved with street conflict and gang association.

For parents we offer:

- Information and advice
- Emotional and moral support
- A listening ear
- A regular meeting place

We understand that we all experience difficulties or challenges which we find hard to cope with. In most instances help from those around you can be all that is needed but there maybe times when we need some extra help and support.

We offer support for parents who are experiencing challenging behaviour from their children.

We recognise that the best way to support families is to provide professional, non-judgmental support and advice in a way that all members of the family can freely access

The group runs fortnightly with the next one being held:

**Friday 26th January 2018
1pm–3pm at our offices in
Red Lion Street**

Please call 01902 572393 for further details.
