School Nurses Visit Reception Classes

Two of the school nursing team visited the children in Reception on Tuesday morning. They read the children a story about the importance of keeping their hands clean and told them when they should be cleaning their hands.

The children really enjoyed the visit and have been trying hard to remember to wash their hands after they have been to the toilet and before they go in to the dinner hall for lunch.

Smoking

We would like to remind all adults entering the school grounds, that smoking is banned anywhere on the premises. This also includes any form of e-cigarettes. Thank you.

Year 4 Visit to the Great North Museum

Year 4 children visited the Great North Museum, in Newcastle, this week, as part of their Ancient Egyptians project. The children dressed up as ancient Egyptian priests, solved hieroglyphics problems, looked at some interesting artefacts and got to explore the rest of the museum too! All of the children behaved beautifully throughout the day and on the metro journey and were a credit to Ashley Primary.
