Return - Tuesday 3rd September

We will be arranging dates for various other events in the summer term soon. Please keep checking the newsletters for updates.

## Planned Boiler Work

Work has now begun to replace the main boiler for the school. This is a different boiler to the one which was replaced last year.

The work will not mean any planned closure of the school, as a temporary boiler will be used throughout the work period to install the new one.

The temporary boiler will be situated outside the main boiler house, at the bottom of the drive. Any vans dropping off equipment etc will not be on the premises during entrance and exit times. The whole work schedule is also being overseen by the LA Health and Safety advisor.

## Healthy Hearts

This week, Year 6 children had the amazing opportunity to participate in a scientific workshop all about the health of your heart and how to keep it strong.

The first lesson was based around nutrition and the 5 sections of the 'Eat Well' plate. We also got to make smoothies using fruit in healthy amounts.

During the second session, Year 6 children explored the various components of a lamb's heart (protective gloves and aprons were worn at this point). Some of the pupils enjoyed this more than others!

Overall, we thoroughly enjoyed the sessions and it definitely made the children aware of the wellbeing of our heart.

Report by Nola Pearce (Y6)

**Golden Award Winners**  
**this Week**

- Archie Gowmen
- Logan Sword
- Amelia Clayton
- Gabriella Porteous
- Ebony-Rae Smith
- Karl Thirlwall
- Amy Lin

**Dinner Money**

A reminder that dinner money should be paid on a Monday. If there is a problem with paying, please call in to school to tell us.

We are hoping to introduce an online payment systems for dinners, later in the year.

**Parking**

Yet another reminder to park respectfully of our residential neighbours. Please do not block garages, drives or disabled bays.

We appreciate your support on this matter.
