School Closure

Once again, we apologise on behalf of the contractor carrying out the work to install the new boiler, for the lack of heating and subsequent closure on Tuesday.

The system failed due to a mechanical error, which has now been fixed. The work will continue to install the new boiler and we hope this will be completed by the February half term break.

Yoga Time

Miss Stratford's Year 2 class are currently participating in Yoga sessions, each Friday morning. It is hoped that the sessions will help the children's flexibility and help them to end the week on a calm note!

The children and the staff loved their first session and can't wait for the next one.
