Dear Parents/Carers

IMPORTANT: Health and Safety Reminder

No Bikes / Scooters on School Grounds

I have received several complaints about adults and children riding bikes and scooters on the path up to school and in the playground.

Please could I remind you that this is against school policy and contravenes Health and Safety Regulations.

Could you ensure bikes / scooters are not ridden on the school site at any time. They must be dismantled before entering the school grounds.

I am grateful for your support with this.

Yours sincerely

Mrs C. E. Askwith
Headteacher
