

South Tyneside Council

RISK ASSESSMENT

Department: Services for Young People, Children, Adults & Families		Section: Thurston O.E.C.		Assessment No: A		
Work Activity	Generic Assessment for all Outdoor Activities					
	Thurston staff are conscious of safety at all times & constantly evaluate risk. However, it must be recognised that it is not possible, or indeed desirable, to entirely remove all the risk from adventurous activities with consideration for the many benefits of participation. Staff manage this risk in relation to the benefits with awareness of the consequences.				Risk rating, without controls <i>(see Matrix overleaf)</i>	
Hazards	Road traffic accident Cold related conditions Heat related conditions Injuries & illness Getting lost All types of abuse Exhaustion	Drowning Burns & scalds Other location users Slips, trips & falls Lifting & handling injury Medical condition	High	<input checked="" type="checkbox"/>		Medium
Population Exposed	Employees:	<input checked="" type="checkbox"/>	Sub Contractors:	<input checked="" type="checkbox"/>	Public:	<input checked="" type="checkbox"/>
	Young Persons:	<input checked="" type="checkbox"/>	Special Groups:	<input checked="" type="checkbox"/>	Children:	<input checked="" type="checkbox"/>
Control Measures	<p>Activities are run in line with all Thurston O.E.C. Operating Procedures, Policies & Guidelines with control measures including:</p> <ul style="list-style-type: none"> Emergency procedures, contacts & planning in place Supervision by appropriately qualified & experienced staff Appropriate instructor/student ratio Staff DBS/CRB checked & monitored Safeguarding policy adhered to Manual handling policy adhered to Behaviour policy adhered to Expected standards of behaviour agreed & understood First aid & emergency procedures in place First aid qualified staff Information on medical, behavioural & emotional conditions & medication required Suitable group briefing & preparation Vigilance of supervising staff Weather forecast obtained Appropriate clothing, footwear, specialist equipment & group equipment used or provided Appropriate method of communication taken Appropriate venues & planning for group/conditions/weather Flexibility to change & modify the programme &/or activity Morning meeting agrees activity, staffing, weather forecast, conditions & any alternative plans Cancel activity when conditions are unsuitable 					

Information Instruction Training Required	The main factor in managing risk is the quality, experience & judgement of the staff. Whilst they are required to follow centre operating procedures/guidelines & standards of accepted practice, no attempt is made to interfere with their on the spot judgement. Staff are expected to have safety in mind at all times and are given freedom to make decisions in the best interests of clients. Thurston O.E.C. & staff consider the risk benefits of all activities.		
Personal Protective Measures (PPE)	Thurston O.E.C. provides all specialist activity safety equipment		
Implementation Plan		<i>By Whom</i>	<i>Target Date</i>

Risk Rating with Controls in place	<input type="checkbox"/> HIGH	<input checked="" type="checkbox"/> MEDIUM	<input type="checkbox"/> LOW
---	--------------------------------------	---	-------------------------------------

Monitoring and Review	Review Date	By Whom	Target Date
	<i>Jan 2018</i>	<i>Staff</i>	<i>Jan 2018</i>
Action Identified From Review	None	By Whom	Target Date
