<b>Sea Level Traversing</b>
-----------------------------

### **INTRODUCTION**

Sea level traversing can be offered as a day or half-day when conditions allow.

### **VENUE**

Any approved venue.

### **STAFFING**

- Ratio: The normal instructor/student ratio.
- Staff should have knowledge of the venue, site specific training, be in-house trained, have an awareness of tides and be an ML holder.

### **EQUIPMENT**

- Helmets must be worn and buoyancy aids when appropriate.
- Consideration must be given to the use of wet suits according to conditions and venue.

### **OPERATING CONSIDERATIONS**

- Tide tables checked and an awareness of the implications.
- Students aware of the specific dangers including quick sand.
- Leader must have a mobile phone or a method of communication.
