Overview

The Pupil Premium was introduced in April 2011, and paid by means of a specific grant based on pupils registered for Free School Meals (FSM), children that are looked after and those children whose parents are serving in the Armed Forces. This service Premium is designed to address the emotional and social well-being of these pupils. The Pupil Premium is additional to main school funding and it will be used by the school to address any underlying inequalities between children eligible by ensuring that funding reaches the pupils who need it most.
