21st March 2018

Dear parents / carers

Re: Easter holiday revision program

Please find enclosed a timetable for revision over the Easter break.

The first session runs from 9.30 to 11am. Students are expected to arrive on time, fully equipped and ready to learn. **Students will not be admitted to the school if they are late.**

There will be a 15 minute break between 11am and 11.15am for students that are remaining in school for the second session. Students should bring their own refreshments and will be supervised in the restaurant. All students not attending a second session will be expected to leave straight away.

The second session will run from 11.15am to 1pm. There will be no refreshments at 1pm and students will be expected to leave straight away.

Yours faithfully
