

Heartlands GCSE Post Results Services - August 2018

If you have concerns about your results all requests for post results services must be made through school. The awarding bodies will not accept private applications. You must discuss your concerns with a member of staff, preferably the Head of subject concerned. If after discussion you still wish to query a result, it is possible to have a 'Service 2 Review of marking'. You will be charged for the review of marking UNLESS the overall grade for that subject is changed, whether upwards or downwards.

Review of Results (RoRs): Service 1 Clerical re-check

This service included the following checks:

that all parts of the script have been marked; the totalling of marks and the recording of marks. The outcome of the clerical re-check will be reported along with a statement of the total marks awarded for each unit/component included in the enquiry. Service 1 should be completed within 10 calendar days of the awarding body receiving the request.

Review of Results (RoRs): Service 2 Review of marking

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. **It is not a re-marking of the candidate's script.** The service is available for externally assessed components of both unitised and linear specifications.

Service 2 should be completed within 20 calendar days of the awarding body receiving the request. This service will include:

- the clerical re-checks detailed in Service 1;
- a review of marking as described above;
- if requested, a copy of the reviewed script(s) for those units/components included as part of the Access to Scripts service.

Review of Results (RoRs): Priority Service 2P Review of marking

This service is as Service 2 but processed faster. This only available for subjects taken with Pearson. Priority Service 2P should be completed within 15 calendar days of the awarding body receiving the request.
