

HORBURY BRIDGE CE J&I ACADEMY

SPORTS PREMIUM

Value Statement

It is important to us to give every child the opportunity to experience a well balanced curriculum which stimulates and promotes their academic, sporting, creative, artistic and social development. We believe an innovative and varied PE curriculum has a positive influence on the concentration, attitude and academic achievement of all our children. The money will be used to that all children benefit regardless of sporting ability.

AIMS

The government has provided funding of £150 million per year to improve the physical education and sport in primary schools. Schools have to spend the funding on improving provision of PE and Sport, but have the freedom to choose how they do this. This can include:

- Hiring specialist PE teachers or qualified sports coaches
- New clubs
- Paying for professional development opportunities
- Providing cover to release teachers for professional development
- Running sport competitions or increasing participation
- Buying assured development modules and materials

OBJECTIVES

We aim to improve the provision and participation of physical education and sport at Horbury Bridge CE J&I Academy and broaden the sporting opportunities and experiences available to children.

Total amount of funding received for 2015-2016 - £8500

Use of Funding	Cost	Objectives	Outcomes/Impact
School Sports Coordinator	£1266	As part of the pyramid sports partnerships, tournaments are organised on a regular basis which allow children from year 1-6 to take part in a range of competitions and events with children from schools in our pyramid	The number of children who have the opportunity to take part in competitive sporting events has increased. Improves children's skills and confidence. It identifies talented children and provides the opportunities to compete against other talented children in the area.
Health Week	£1000	Health Week is designed to give children the opportunity to take part in different sports and PE	Children have the opportunity to try new sports and activities including Archery, tri golf, Tai

		activities and also learn about keeping healthy and Fit.	Chi, gymnastics. Creates links with other community providers to encourage children to take part in out of school sports
Professional Coaching	£500	Professional sports coaching to provide specialist teaching	High quality coaching
Purchase of race bikes	£2000	To engage in competitive sports whilst mastering movement, co-ordination and extending agility.	Children have the opportunity to play team games, developing tactics and are physically active for sustained periods of time.
Extra-Curricular Sport Practice	£300	Additional after school sports practice for competition practice	Children have the opportunity to attend additional practise sessions and develop new skills and confidence in new sports
Participation in Dance competitions	£1000	Participation in 'Great Big Dance'. Funding contributed towards costumes, transport and entry to the regional and national heats. We have entered the competition again this year.	The children thoroughly enjoy these opportunities and the experience of taking part in national competitions.
Passport to Sport	£500	This is to encourage interest, enjoyment and wider participation in sports based skills, Children can achieve gold, silver and bronze awards with incentives including free swim passes and other prizes	There has been a high uptake of the skills activities on offer at lunchtimes with a large number of children achieving their goals. This has increased motivation and interest in the house team competition.
Professional Development of Staff	£300	Training was provided for lunchtime supervisors to identify ways to improve the provision of games at lunchtime	A greater range of physical activities is provided at lunchtimes.
Residential visit	£2000	Opportunity for Year 5&6 children to attend a 4 night residential to experience outdoor adventurous activities including high wires, archery, climbing, zip wires etc.	The requirements of the curriculum are enhanced and children are exposed to a broader range of skills, where children have the opportunity to be challenged individually and as a team to take part in adventurous outdoor activities.

How we intend to spend funding in 2016-2017

Total amount of funding expected £8500

Use of Funding	Cost	Objective	Outcomes/Impact
School Sports Coordinator	£1266	Continue as part of the pyramid sports partnerships; tournaments are organised on a regular basis which allow children from year 1-6 to take part in a range of competitions and events with children from schools in our pyramid.	Continue to increase the number of children taking part in competitive sporting tournaments. Improves children's skills and confidence. It identifies talented children and provides the opportunities to compete against other talented.
Professional development of staff	High quality £5000	Additional CPD for teaching staff	Develop staff skills in order to deliver high quality PE lessons which inspire all pupils to succeed and excel in competitive sport.
Residential Visit	£1000	Extend the opportunity to take part in outdoor adventurous activities to Year 3&4 and Year 5&6.	Increases the number of children taking part in outdoor and adventurous activities, giving children the opportunity to access a broad range of opportunities.
Health Week	£1000	Health Week is designed to give children the opportunity to take part in different sports and PE activities and also learn about keeping fit and healthy.	Children have the opportunity to try new sports and activities. Health week will include a wider and more varied range of learning opportunities. Create further links with other community providers to encourage children to take part in out of school sports.
Purchase Equipment and teaching resources	£1000	New equipment to be purchased including mats and replacement of general PE equipment and lunchtime activities.	The children will have access to quality resources within the curriculum and a greater range of physical activities will be provided at lunchtime.
